

# Travel

You need to add 25 things to this document. (Make sure to number them just as I did in the example.) It may be helpful to copy and paste this list and then fill it in as you go along. All image names must start with your location, e.g yellowstone\_sunset.jpg unless you are using a link from the internet.

## 1. Location Lisbon, Portugal

2. lisbon\_streetcar.gif
3. lisbon\_yellow\_tram.jpeg
4. lisbon\_streetcar.gif
5. lisbon\_yellow\_tram.jpeg
6. **Geographical Location:** Europe
7. Paragraph One about the location
8. Paragraph Two about the location.

For the next five pictures you can just put the names of the files, you don't have to include the files in this drive, but you do need to add them to the [proper Google Drive](#).

3. yellowstone\_travertine.JPG

4. A large mound of multi-colored travertine

5. Mammoth Hot Springs has a number of actively forming Travertine terraces.

6. yellowstone\_sunset.jpg

7. Sunset over mountains with some charred trees in the foreground

8. The drive to Lamar Valley requires some dangerous roads. But the result is amazing sunset views.

9. yellowstone\_prism.MOV

10. N/A

11. The multicolored layers get their hues from different species of bacteria living in the cooler water around the spring.

12. yellowstone\_buffalo.MOV

13. N/A

14. The buffalo were so common along the roads in Yellowstone that our mantra became "If it ain't lickin the car, we aren't stopping."

15. yellowstone\_sulphur\_springs.JPG

16. A large spring with clouds of sulfur smoke rising from it.

17. If you can handle the odor, the Yellowstone Sulphur Springs is a great place to hike.

18. Colleen van Lent
